How it works:

- Top 5 finishes in the classes you chose will be considered for points. *The number of riders that started the race will reflect how many points are given.*
 - o 100% of points for 1st
 - o 75% for 2nd
 - o 50% for 3rd
 - o 25% for 4th
 - o 1 point for 5th
- (Example: 12 riders started the race; 1st = 12 pts., 2nd = 9 pts., 3rd = 6 pts., 4th = 3 pts, 5th = 1 pt.)
- The rider with the most points in each category **for that region** will receive the prize for the 2020 season. If you qualified to receive a prize, it is to be claimed at your chosen vendor.

The fine print:

- If a class is broken up between EX and AM, only the amount of experts entered will count for expert points and same for amateurs.
- On double header weekends, both races count toward points. A race series double points weekend does not constitute double points for this program.
- Points from the 2019 calendar year (January 1st – December 31st 2019) races will be considered for the bounty program.
- You must use Pirelli tires front and rear to have your points allocated for this program.
- The chosen vendor (above) MUST verify your use of Pirelli tires in all of your races or you will be disqualified.
- If you submitted a registration form already but want to add more classes, please submit a new registration form.

** If you have any questions, please ask your local vendor. We will clarify. Good Luck!!**
